

From the Principal's Desk...

Dear Parents,

You will find below the map and instructions for the new parking lot. Beginning on Monday, we will be using this parking lot for all of our drop off and pick up needs. The north doors will no longer be used. Please be sure to look at the map and the instructions as we have included them here as well as sent a paper copy home. Thank you for your cooperation. We are so thankful for the new lot and the safety it will provide for our students and your children.

We are sending home student directories today. Please be sure to watch your child's bag as we provide one copy to each family. The staff email address list is on the back of the directory. Always feel welcome to email any of the staff members should you have a need or question.

Thank you to all those who worked so hard on getting the spookgetti dinner and haunted stage ready. It is such a great event and the children have such a great time. We have such wonderful volunteers here at St. Patrick's.

Please join me in welcoming our new 2nd grader, Piper Haupt and her mother Ericka Machacek to our school. On Monday we will welcome a new 8th grader, Maverick McDonald and his parents Matthew and Manuela McDonald to our school. We are so excited to have them join our school family.

Sincerely in Christ,

Mrs. Leah Bethune

We are featuring a classroom of the week each week on Facebook. Be sure to make sure you have liked our page:

Thank you for choosing school lunch!

Milk can be purchased daily for cold lunches \$.50

St. Patrick Catholic School Drop off and Pick up Route (starting Monday, October 19th)

Instructions:

All students MUST be dropped off and picked up on the SOUTH side of the school at the entrance marked on the map. No one may use Ballard Street as a pick up or drop off as previously done. For the safety of the children, DO NOT drop your child off on that side of the building as those doors will be locked and not in use at that time. Also, DO NOT try to pick your child up on that side, a staff member will be there and asking you to drive around to the other side of the building to get them.

All traffic must flow in the directions indicated on the map and you CANNOT get out of our car in the circle drive. There will only be right hand turns allowed. You will not be able to turn left in to or out of the circle drive. There is a lane for the dropping off and a lane to pull through. Be sure to pull all the way into the lane for dropping off so cars can get to the pull through lane. There will be staff directing cars to open spots. There will be no parking in the circle drive parking lot from 9:00am till 4:00pm.

The students must come to you to ensure constant flow of cars. If you want to park and walk to get your child(ren) you will need to park in the diagonal parking in front of the church or on the street. Students will not be able to walk to you to get in your car if you park there. You must come get them. They will remain in the sidewalk area in front of the school until a parent comes to the drop/pick up lane or until a parent comes and retrieves them.

If your child is walking home, please make sure your child's teacher knows and we will escort them across the street at the locations on the map where the teacher is stationed. The only students walking away from the circle drive will be those students who are walking home and have notified school. One of those is in front of the rectory and the other is in front of Mahoney Manor. These are the ONLY places students can cross the street. We want to make sure they are crossing safely.

Thank you for your cooperation!!!!

2nd grade had a no uniform day for getting 1st place in the box top contest. Way to go!

Happy Bosses Day to Mrs. Bethune!

Happy National School Lunch week to our wonderful lunch ladies Jo and Kathy! We are so blessed to have you 😊
